LR 11

within a licensed racetrack enclosure. And my presumption is, you can...this body can license racetracks enclosures wherever they might choose. Would that be a fair assessment?

SENATOR SCHIMEK: Yes. I think I'm following your question. The answer would be, yes, they can...I mean, this...the state of Nebraska can authorize up to eight casinos, under this amendment. And you know, they could be at racetracks.

SENATOR MINES: And parimutuel betting could also be at casinos. And I'm not opposed to that. I just...I'm not sure myself.

SENATOR SCHIMEK: Well, that's not the way I envision it at all. And I don't think anybody did. Because they said, for purposes of this subsection gaming means, and then it goes on. And so that's a really good question, Senator Mines. I think that we might have to clarify what we really mean there.

SENATOR MINES: Again, I'm not opposed to that concept. I'm just...

SENATOR SCHIMEK: Right.

SENATOR MINES: ...I did have that question. And I think Senator Smith brought this up early on, that it also appears that in the process of compromise that many of the players may not have been at the table, or had stake in this drafting. As an example...and I'll just be redundant...local governments, and pickle operators, and keno operators. And that's just a comment on my part. It's not a condemnation or...

SENATOR SCHIMEK: Senator Mines, this was only composed of members of this body.

SENATOR MINES: Right. Right. But again, those interests, those kinds of interests appear to have not been...

SENATOR SCHIMEK: But they were when you consider that there were people at that table who were supporting the Janssen approach.
